luxurious, and unlike any other exhibition in design, layout and facilities.

The organisers have declared the exhibition a resounding success. Considering it was the first of its kind, it enjoyed remarkable attendance figures and will now go from strength to strength. Stands were sold out long before the exhibition opened and not surprisingly, the waiting list for stands for next year is already extensive.

Here is what some of the exhibitors had to say:

"I know we are often late in responding to your email requests, but we would like to show that we can also be quick to say thank you. Our sales staff have given me a report and I have seen the results we have achieved. We are happy and full of confidence that the follow up on our leads will create a lot of business for us. The organisation you provided was excellent and everybody at *The Portugal News* deserves a Thank you. You can book us in already for next year for a double stand, providing, that we get the same excellent position next to the main entrance."

"Portugal Auctions and i-*

Spy360 had a great response both to our panoramic photography and the concept of selling property through the visual imagery of virtual tours. We received quality leads during the weekend and will certainly be booking our stand for next year's Exhibition."

"We had a stand at the Golden Triangle over the weekend. I have done many expos in the past including the Travel Trade Fairs in the UK for many years. Every show that I have been involved in before has been busy, busy to the point of feeling totally exhausted at the end of it, this one was different, **this show worked for us.** Whilst quiet in numbers **the interest shown and support given was fantastic.** I sincerely hope you are going to repeat it next year."

*Andy Mahoney, Centre Algarve*

"I would first of all like to say that my stand position was great, so a big thank you. I would also like to say that given this event was its first, the attendance I would say was more of quality than quantity.

Of course, I am hoping that all the enquiries I received over the two days do result in orders and although I saw some of my existing clients, I did have mostly enquiries from new faces which in this economic climate is very much a positive result. Without doubt I would like to have the same stand for the next exhibition please.

And finally... The organisation was good and Sónia you are a star and nothing is too much trouble for you.

Well done to you and all at *The Portugal News!*"

*Elaine, Style Furnishings*

"O balanço desta primeira feira foi bastante positivo, senti que ouve uma ótima aceitação por parte dos visitantes e estabeleci bons contactos entre visitantes e expositores. Vamos aguardar resultados futuros e caso isso aconteça, terei o maior prazer em dar-vos conhecimento."

*Cristina Oliveira AMBIENTES COM ARTE*

"I just wanted to let you know that I thought the exhibition was fantastic. The organization was fabulous and the setting was ideal for the type of fair you have created. All contacts that were made were quality and we were happy with all aspects of the exhibition in general. If possible we would like our stand for next year.

*Pedro Serrão, World Telecom*

"We recently exhibited at the Golden Triangle Exhibition at Vila Sol Hotel, Vilamoura, Portugal. Organised and Sponsored by *The Portugal News* it was the first Exhibition they had arranged at this venue and was hailed a great success. We certainly gained a lot from it and thank you to all our existing clients that came to support us."
